

Planning your visit to the  
NIKKEN Innovation Centre

## WHAT TO EXPECT FROM THE INNOVATION CENTRE:

Witness the power of NIKKEN solutions with live demonstrations on our suite of evolving multi-axis machining centres.

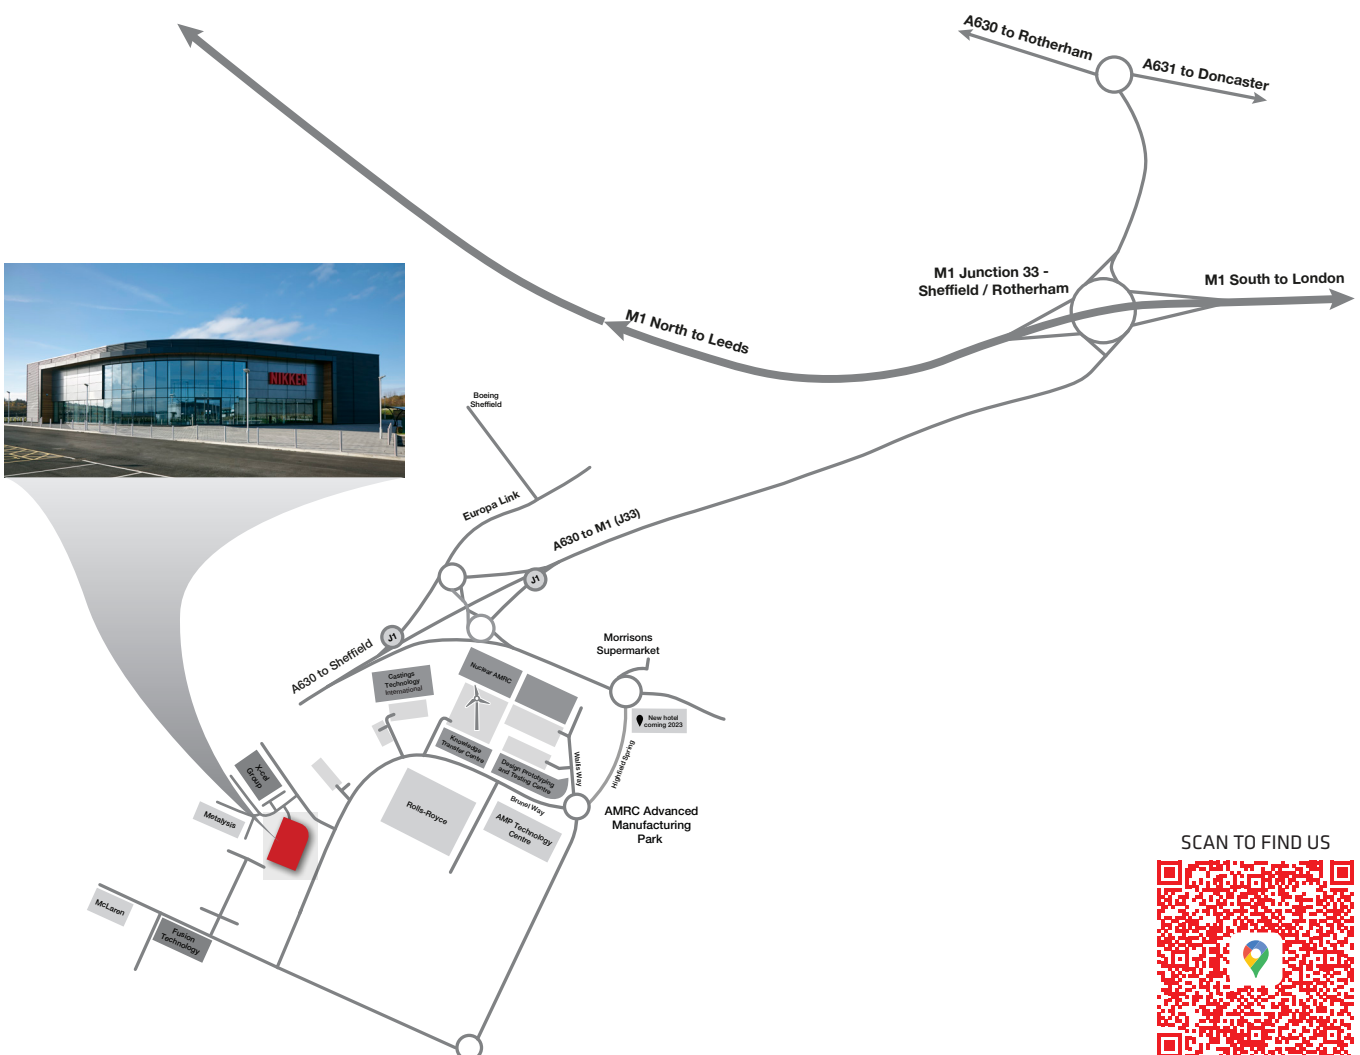

Designed to demonstrate the latest industry technologies and solutions to answer all your engineering requirements, the Innovation Centre will inspire you to enhance your production processes to become more productive and profitable.

NICe is also home to Boeing's Tool Room - a live and working environment utilising Tool Management Solutions to demonstrate the capabilities of our solutions.

## WHERE TO FIND US?

Located on the Advanced Manufacturing Park (AMP) in Catcliffe Rotherham, the NIKKEN Innovation Centre is at the heart of UK manufacturing. The Advanced Manufacturing Park (AMP) is home to some of the world's leading manufacturers, including Rolls Royce, Boeing and McLaren Automotive.

Encompassed by manufacturing excellence and research and development, the NIKKEN Innovation Centre is no exception to the standards of the AMP, offering a unique, inspiring and impressive experience for all.
